Dear Bayshore Neighbor:

Neighbors in our area are planning a meeting to discuss forming a Community Watch.

Watches are just that: Neighbors watching out for themselves and each other to make the neighborhood a safer place to live. Community Watches all across the country help neighbors get to know each other better, and help us reduce the chance of criminal activity in our neighborhoods and communities.

Sergeant Curtis Barnhill of the NHC Sheriff's Community Services Office will be there to help train us in personal safety and security for our homes, as well as showing us ways to join together and use our time and talent's to tackle problems we think can be resolved when we work together.

Community Watches cost only the time it takes for us to care about our neighbors. Please come to the meeting and help us discover ways to improve the quality of life in our Bayshore community.

Date: April 7, 2011 **Time:** 6:30 PM **Place:** Lutheran Church of Reconciliation, 7500 Market Street (corner of Bayshore & Market).
